

**ProWhite 8g x 30 sachets**

**Product Name**      **Kinohimitsu J'pan ProWhite**

**Description**      Kinohimitsu J'pan ProWhite is a delicious functional drink that provides systemic health and beauty functions. It contains Glutathione and the two 'superfruits'- Camu-Camu and Maqui Berry to eliminate spots and reduce oxidative stress.

With such a powerful package of nutrients working in synergy, Kinohimitsu J'pan ProWhite helps to enhance skin clarity and radiance, boost up immune system and promote healthy liver for perfectly flawless and glowing skin in just matter of weeks!

**Who should take Kinohimitsu J'pan ProWhite?**

Age 25 and above

Constant exposure to UV rays

Pigmentation

Always stay up late

Dark eye circles

Fatigue and feeling weak

Active and passive cigarette-smoking

Alcoholic beverages drinker

Poor liver health

**Benefits**

- Boost immunity - It guards the liver against toxic matters (e.g. chemicals, heavy metals, etc.) and promotes healthy liver for stronger immunity.
- Brightening – It immediately repairs damaged cells, repels free radicals and promotes healthy cell turnover for fair & translucence skin!
- Eliminate spots – It effectively eliminates stubborn spots and prevents new melanin formation for flawless skin!

**USP**
